September 11, 2023

Noon  
LSU AgCenter

**Host**

Gloria, Susan, Carolyn L, Barbara W.

**Speaker**

**Taylor Jeffres** The Villages of Imperial Pointe, Mktg. Dir.

**Program**

**Pam Langley : Native Plants**

**Horticulture/Floral Design: Bring a small bound bundle of flowers/foilage from your yard. Identify your plants in 10 words or less. Bundles will be delivered and laid at the 9/11 memorial after the meeting.**

Ribbon of Souls designed by local artist Susan Arnold, features a colorful circle of stained glass that surrounds the 9/11 Memorial in Lake Charles. Each of the pieces represents the life of a person who was killed that day. Two steel I-beams from the World Trade Center and a piece of limestone from the Pentagon that was damaged during the attack are engraved to honor the memory of two local men - Russ Keene who died at the World Trade Center and Kevin Yokum who perished at the Pentagon.

---

**Horticulture Hint:** Pruning and fertilizing trees, shrubs and ground covers should be avoided after September; it can stimulate late growth that is not cold hardy.

**NOTE:** Grab a box and start saving all your dryable flowers, pods, etc. for the Landmark Christmas Tree!

**NOTE:** Propagate/Divide for November Plant Sale.

**REGISTER FOR FALL DISTRICT MEETING**  
[www.lgcfinc.org/fall-district-meetings.html](http://www.lgcfinc.org/fall-district-meetings.html)

**LOOKING AHEAD**  
**Bring a mini pumpkin next month to Tuten Park.**
